Michigan's Trusted Partners of the LGBTQ+ Community

Consumers are paying more attention than ever before to how businesses and organizations navigate around diversity, inclusion, and equality both internally and externally. In fact, more than 75% of LGBT adults and their friends have expressed they'd switch to brands that are known to be LGBTQ+ friendly. The LGBTQ+ community has long been underrepresented in business, be it in sales, advertising, or company culture in general. But that tide is changing. According to a report by the National LGBT Media Association, the LGBTQ+ community has \$1.7 trillion in annual spending power and is growing at its fastest rate ever. Companies that lay a strong foundation now are building genuine, lasting relationships that will pay dividends as the community continues to grow.

Pride Source Media has been an advocate and supporter of the LGBTQ+ community for over 30 years. Through topical, thoughtful news, politics and entertainment content, we've built a highly engaged readership who look to our

products to inform and enrich them. In 2022, Pride Source was recognized for Excellence in Transgender Coverage by The Association of LGBTQ+ Journalists (NLGJA) — a big win for the entire community.

By advertising with Pride Source's products, *Between The Lines*, *Pride Source Magazine* and *Pridesource.com*, you're making an investment in a community that is fiercely loyal to brands that support and welcome them. With 94% of our readers saying they're more likely to shop with businesses that advertise in our products, Pride Source has long been a trusted partner for the LGBTQ+ community in Michigan and across the nation.

Let us help you structure an advertising campaign that speaks to our readers — and grows your brand recognition within the thriving greater Michigan LGBTQ+ community.
